Mike Mason will run for county commissioner

Published Nov. 28, 2007

Mike Mason, a Republican from District #2, has declared his candidacy for county commissioner. Mason said he feels there's no other candidate who wants to limit government and protect private property rights. "I believe in empowering people not government," he said.

Mason has lived in Colorado since 1969 and has a bachelor's degree in engineering physics from the University of Illinois. During his career he worked in the aerospace and computer industries. He has lived in Cedaredge since 1997 where he owns a ranch with his wife Judith. He is an advocate of the Fair Tax and the use of hydroelectric power to produce renewable energy and fund ag projects.
